Please accept Dr. Kristen Rex's and my sincere congratulations on completing your senior year! With all of your hard work at PDSD, you are now ready to take on the next challenge - that is, to enroll in the technical program, college or university of your choice or to get that first full-time job. After you graduate you will quickly realize that what you learned at PDSD is just the beginning. You will continue to learn and grow life-long. Hopefully you will take full advantage of your skills and of every opportunity you have to become a leader. Our community needs leaders.

As you move on with your lives, don't forget the teachers and staffs at PDSD who have had the honor to be part of your lives. They too have worked hard to give you the best education and support possible. Take the time to say "thank you" to them.

Be proud Roadrunners! Mark that journey through life uniquely YOURS!

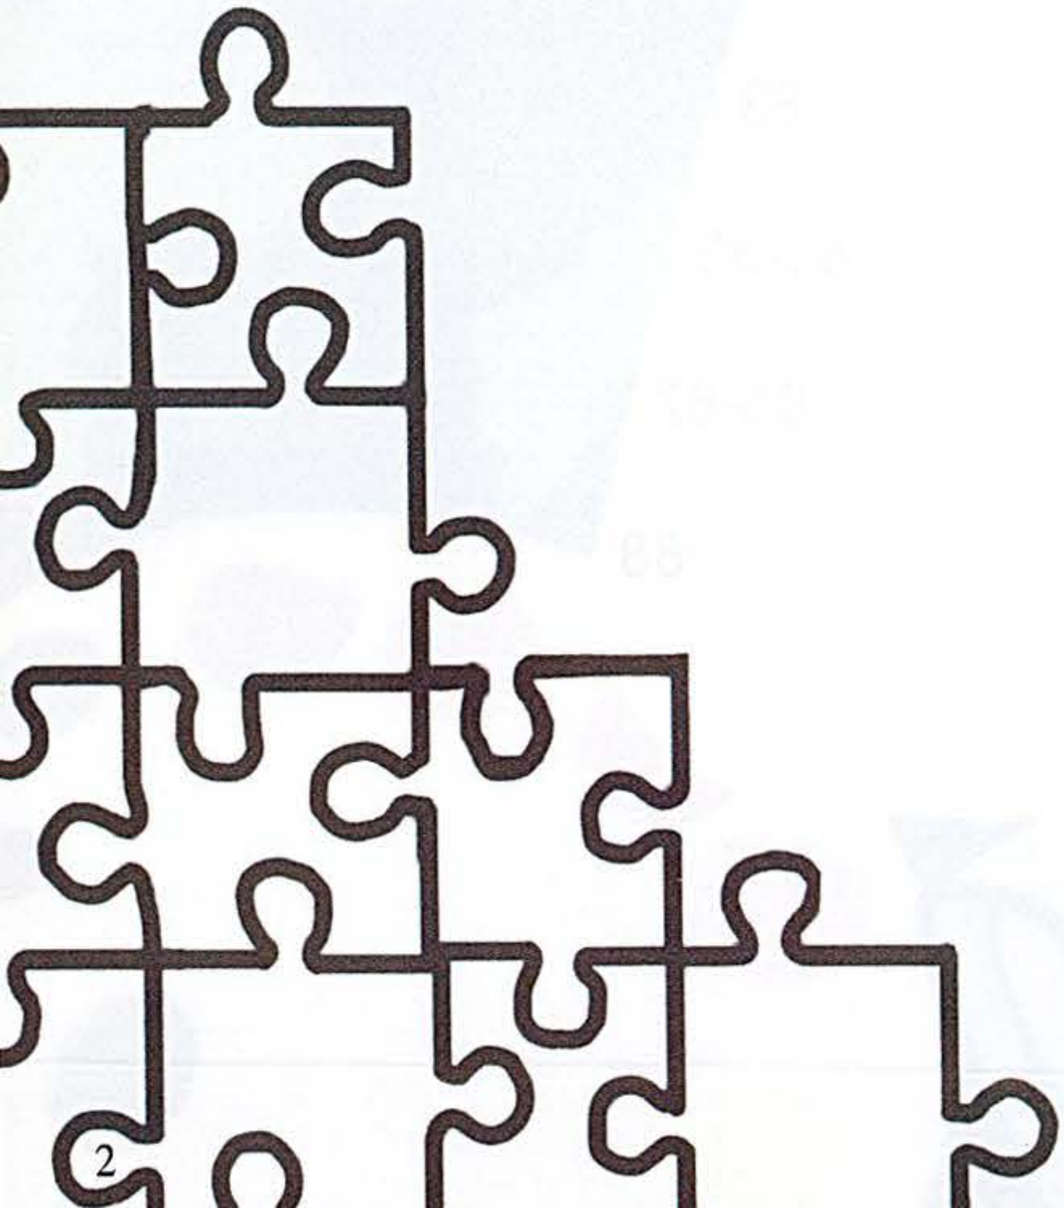
Sincerely,

Annette Reichman

Annette Reichman, Superintendent

Kristen D Rex

Kristen Rex, Assistant Superintendent



PDSD Community,

Each of you have your own set of skills and talents. Sometimes, these are hidden and we have to work hard to unlock the potential within ourselves. As we follow our dreams, the right keys can open new doors to a future of growth and achievement.

We know that our potential as a school is great. This was reaffirmed through our AdvancEd Accreditation visit during the fall. The team recognized that we have a commitment and passion for the students that we serve. Students and parents appreciate the caring and safe environment at PDSD. Leadership is present, showing courage to make decisions that are student centered. Lastly, team collegiality is apparent.

During this visit, there were also areas of potential growth that will guide our future efforts. These are the areas that will continue to push us to become all that we can be: curriculum, leadership, differentiated instruction, professional development, and resource management.

This is an exciting time to be a Roadrunner. For those just joining us, welcome. You are a key component to the team. For those departing, we know you will go on to great things. You contributed to our journey and we thank you.

Just remember, "Continuous effort, not strength or intelligence, is the key to unlocking our potential." –Winston Churchill

Retirements

Peggy Marko-Sprague

I am completing my 32nd year of teaching here at PDSD and am announcing my retirement at the end of this school year.

I have seen many things change here at PDSD. I remember starting in August 1987 and we did not have phones or TVs in each classroom, let alone a computer. We had a white wooden paddle with a red cross on it to use as a pass to the nurse's office. We also had a solid red wooden paddle to give to a student if you needed help in your classroom for any reason. How things have changed over the years.....

It has been a pleasure to be a teacher here at PDSD all these years. I have seen several students start in preschool and graduate from High School. And now several of my former students have come back to PDSD as employees. It is wonderful to see all of your accomplishments. I know that PDSD is a "family" that I will miss dearly, the staff, students and parents of PDSD.

Thank you for the memories!!

Peggy Marko-Sprague

Judith Baltenbach

Dear Amazing Students,

Believe it or not, I really appreciated my time with you this year. I would like to announce my farewell. You are a curious and passionate bunch who are aware of the many issues that plague the world, and want to do something about it. I feel that with focus, discipline and sustained effort no matter the challenges, you will have what you need in order to be great leaders at school and in your communities.

My dear students, in my experience, you will have to face hard challenges in your later life. However, never get fed up and continue to go ahead having strong confidence and belief in yourself. It is your belief, courage, patience and hard work which will surely lead you ahead and give you a bright future. My good wishes are always with you and I wish you all the best. I have a nice line for you that is well said by the Albert Einstein.

Thank you for growing with me and allowing me to grow with you. I will miss you and hope to see you when you are mature and developed in high school. I send you all the love, prayers and good vibes. Go Roadrunners!!

Peace,

Judith Baltenbach

Greta McLeod

Dear PDSD Community,

It's hard to believe that my first steps on the PDSD Campus were in 1983. I was a young, naïve individual hired straight out of college as a Pre-School Teacher. I was trained under an auditory aural teaching program and had one semester of Signing Exact English under my belt! You can well imagine the culture shock I experienced moving into this work environment! Needless to say, I have grown as an individual and learned so much working at PDSD. I've developed a deep appreciation for American Sign Language and the Deaf Culture. I've had the opportunity through the years to work with beautiful children, wonderful families, amazing school districts and outstanding co-workers. I can honestly say that I have worked alongside the "best of the best". I appreciate the opportunity to have been employed by PDSD.

I will miss being part of the PDSD Team; however, I trust that the friendships I have developed here will last well into the future.

Greta McLeod
